**Curriculum Vitae**

**I. Lecturing and Expert Activities**

As an eminent authority in his field of research Prof. Dr. Staudinger has been consulted in both legal proceedings and legislative reform projects. In 2013 for instance he was heard by the committee on legal affairs of the German parliament in Berlin on the legislative proposal on dispute resolution in air traffic. Moreover, Prof. Dr. Staudinger participated in an expert hearing of the European Court of Justice in 2015 concerning large claims of a Finnish social insurer resulting from an international traffic accident against a German liability insurer (ECJ, judgement of 21 January 2016 - C-521/14, SOVAG).

Apart from that, Prof. Dr. Staudinger has given a lecture on the quantification of loss under German law on the occasion of the "Comparative Quantum law series" in London in April 2016. However, this is only one example of his comprehensive lecturing activities abroad. Between 2000 and 2016 he has given lectures in Albania, Argentina, Austria, Belgium, Bosnia and Herzegovina, Bulgaria, China, Croatia, the Czech Republic, France, Hungary, Italy, Latvia, Lithuania, Luxembourg, Macedonia, the Netherlands, Poland, Portugal, Serbia, Slovenia, Spain, Switzerland, Turkey, the United Kingdom and Vietnam on a wide range of topics including the following: "Protection of consumers and traffic accident victims in the light of the Rome I, Rome II and Brussels I Regulation" (XVII. European Traffic Law Days, Luxembourg, 10 Oct. 2014), "European contract law: where do we stand", "Rome I: Scope of application, choice of law and applicable law in the absence of choice", "Rome I: Cross-border consumer contracts in judicial practice", "Rome II: Torts under Rome II with a focus on product liability", "Cross-border litigation in the light of Brussels I, Rome I and Rome II" (Academy of European Law, Vilnius, 12 June 2015). The lecturing activities of Prof. Dr. Staudinger also include guest

professorships at the University of Paris Ouest-Nanterre-La Défense and the University of Miskolic (Hungary).

In addition to his repeated expert activities on behalf of the former German Ministry of Nutrition, Agriculture and Consumer protection and the German Ministry of Justice between 2005 and 2008, Prof. Dr. Staudinger is engaged in the training of judges on behalf of the German Judicial Academy in the city of Trier and the city of Wustrau for more than 10 years. Moreover, he is a lecturer for lawyers specializing in traffic and insurance law, international commercial law, family and inheritance law. He also has given lectures on behalf of the Academy of European Law on numerous occasions in Germany addressing topics such as "The development of law within the EU - Rome I and Rome II". Furthermore, Prof. Dr. Staudinger is head and moderator of the German Traffic Law Day, where he has reported about recent developments of air traffic law as well.
